MEMORANDUM FOR: PAAG Members

FROM: Herbert E. Hetu
Chairman, Public Affairs Advisory Group

SUBJECT: Brochure - CIA and the Academic Community

1. Attached is the brochure we presented to you on 9 November 1978, on "CIA and the Academic Community," an outgrowth of recent university president meetings with Admiral Turner.

2. As discussed in the 9 November PAAG meeting, the publication could certainly be improved. Since our meeting, the accuracy of the statement on page 4--"All contacts with academic institutions are known to senior officials of the institution"--has been challenged; reason enough to consider republishing the brochure and improving it in the process.

3. In order to make the revision of this brochure as encompassing as possible, please look at it with a critical eye and bring your comments to our next meeting on 30 January.
